Come dressed in cowboy/cowgirl attire

We will head to Enid, OK to Skeleton Creek Productions and Simpson's Old Time Museum. On the way we will be learning our lines from the movie script. We will be making a western movie the fun way! Six action-packed Western movies have been filmed inside this real-life movie studio. You'll enjoy your catered lunch inside their 1890's saloon and have time to enjoy the eclectic collection. Then it's on the trail for a historical tour of Enid.

After a little shopping, we will head to the Cherokee Strip Regional Heritage Center.

Cost: \$55 for CURRENT Senior Center members  
\$60 for non-members

Price includes a DVD of the movie and a day FULL of memories and fun!

Payments are due on April 3.

Refunds will be made only if you can find someone to fill your spot.
