

Protocol Changes – Effective July 1, 2021

We want to thank you, as always, for your continued support of Senior Services and your membership at our Senior Centers. In an attempt to continue moving forward with changes and protocols, the following will become effective at the Senior Centers as of July 1st, 2021.

- Centers will be open to members Monday thru Friday from 9:00am to 3:00pm.
- Staff will be available by phone or appointment 8:00am-9:00am and 3:00pm-4:30pm.
- COVID Waivers will need to be signed and on file for anyone participating in events at the Senior Center. Along with Membership waivers updated, and dues current.
- We ask members to continue to RSVP for programs and activities, as to maintain limited numbers in the Centers.
- Social Distancing is still highly encouraged. With 6 feet being ideal, we understand participation in some activities this is not always possible. We ask that 3 feet or greater be recognized as standard.
- In accordance with current CDC and Sedgwick County Guidelines:
 - Face coverings will be strongly recommended for persons whom have not received the full round of the COVID Vaccinations. We will not be requiring proof of vaccinations, it will be on an honor system. If you would like to share this information with your Center Director, it would be appreciated.
 - We ask that individuals be respectful of one another. If you know someone whom is more comfortable continuing to wear their mask, we ask that you wear yours around them as well. (Disposable masks are available for use).
 - These rules will apply to members, clients, volunteers, visitors, and staff.
- Temperatures will no longer be required to be taken upon arrival to the Centers.
 - Anyone present in the Centers are encouraged to stay home if they are experiencing any flu like or COVID related symptoms that fall beyond their normal daily ailments, such as allergies/sinus issues. If you are currently running a temperature we ask that you refrain from attendance as well.
- Frequent handwashing and sanitizing are still highly encouraged.
- Centers will continue to follow all cleaning protocols that are currently in place.
- We ask that prepackaged and self-contained snacks still be the norm.
- Water fountains will be on in the Centers. And coffee pots may be in use at the Center Directors discretion, and may only be available during certain times during the day. You are still encouraged to bring your own self-contained beverage with you.

Please remember that your health and safety are our highest priority. We want to ensure you have the opportunity to participate in activities, but need to make sure we are doing things in the safest manner. We ask that you respect the decisions of the Center Directors and those of other participants.

If you have any questions or concerns please let us know.
